

6TH MALAYSIA INTERNATIONAL NDT CONFERENCE AND EXHIBITION (6TH MINDTCE)

CALL FOR PAPERS

SUNWAY PYRAMID CONVENTION CENTRE (SPCC) 16TH - 17TH AUGUST 2022

Welcome to the 6th Malaysia International NDT Conference and Exhibition (6th MINDTCE). The conference is a part of the Malaysian Society for Non-Destructive Testing (MSNT) initiative to provide a suitable platform for members of the Non-Destructive Testing (NDT) community from all over the world together and share their latest invention, promote their latest inspection tools, present their research findings, and discuss issues and problems on matters related to the development of NDT Technology.

Engineers, scientists, technologists, supervisors, practitioners, end-users, managers, lecturers, and trainers having direct involvement in NDT technology are invited to attend this conference. The conference highlights a wide range of issues that directly affect the effectiveness of the technology in revealing imperfections in engineering structure, system and installation. Therefore, we like to invite NDT experts worldwide to submit their papers for this conference. A suitable and agreed upon presented papers will be published in a prestigious IOP Conference Series, a Scopus Indexed journal.
